Craven Dunnill tiles voted best for new homes

Tile distributor Craven Dunnill is celebrating being voted number one by The Tile Association in its 2008 national awards for its work in the new homes sector. The accolade was presented for The Best Use of Tile in a Housing Development 2008 and recognized the showcase tiled interiors of the Glyn Garth Court luxury apartments at Colwyn Bay, developed by customer Penrhyn Homes. Each apartment was individually designed using the highest quality, contemporary tiles from Craven Dunnill's Renaissance collection.

Peter Sage, Contract Sales Manager at Craven Dunnill was at the awards ceremony, held at the Hilton Birmingham Metropole, to receive the award with Nicky Roberts of Penrhyn Homes. Delighted with the accolade he explains Craven Dunnill sets out to be more than a supplier of tiles, providing expert advice throughout the project and providing an element of exclusivity when requested. Commenting on the Glyn Garth project he added: "I've worked with Nicky at Penrhyn Homes over a number of years and on this occasion we decided on tiles from our Renaissance collection which would create a stunningly elegant and minimalist look for the wall and floors in all the bathrooms and kitchens".

Craven Dunnill is a leading distributor and manufacturer of wall and floor tiles in the UK with a Trade showroom at its headquarters in Bridgnorth. For all enquiries T: 01746 761611 or visit www.cravendunnill.co.uk
