Craven Dunnill tiles voted best in UK

Local tile distributor Craven Dunnill of Bridgnorth is celebrating being voted number one for its work in the new homes sector at The Tile Association's national awards held Saturday 19th April. The award was for The Best Use of Tile in a Housing Development 2008 and recognized the showcase tiled interiors of the Glyn Garth Apartments, developed by customer Penrhyn Homes. Each apartment was individually designed using the highest quality, contemporary tiles from Craven Dunnill's Renaissance collection.

At the awards ceremony there was double celebration as sister company Craven Dunnill Jackfield picked up the top award in the large contract sector for the 15,000 hand-made tiles it supplied for the major renovation and refurbishment of the historic Reading Room at Leeds Central Library.

Peter Sage, Contract Sales Manager at Craven Dunnill was at the awards ceremony, held at the Hilton Birmingham Metropole, National Exhibition Centre, to receive Craven Dunnill's award with Nicky Roberts of Penrhyn Homes: "When I saw the plans it was obvious the tiles would need to be special and we went for tiles in our range which would create an elegant and minimalist look – it was a challenging project and we are very proud at Craven Dunnill to have worked on such a prestigious development."

The Craven Dunnill group is a leading distributor and manufacturer of wall and floor tiles in the UK with a public and trade showroom at its headquarters in Bridgnorth where over 300 different ranges from Craven Dunnill's Renaissance collection of wall and floor tiles are on display.
